

## Allerthorpe Parish Council

### NEWSLETTER - AUGUST 2016

**Parish Council Meeting:** The next meetings of the Parish Council will be on Monday 26th Sept and Monday 28th Nov at 8:00pm in the Village Hall.

*Members of the Public & Press are welcome at meetings of Allerthorpe Parish Council. Public Participation will commence prior to the start of the full council meeting when members of the public can raise questions or make statements to the Parish Council about any issues they may have. Because we are restricted to only 10 minutes, the public are encouraged to use this facility as an opportunity to raise issues rather than to seek resolution and in most cases the council will need to make referrals before being able to provide researched answers.*

**The Annual Parish Meeting:** Was held on 25th May with 16 parishioners attending. Unfortunately only 5 were not Parish Councillors and their family. Those in attendance were updated on the Village Hall AV systems, Speeding and Traffic matters, Broadband, Neighbourhood Development Plan, and discussed the implications of Fracking.

**Neighbourhood Plan:** The draw for the three winners of the consultation questionnaire took place at the Annual Village Meeting on 25th May and the winners of the three vouchers were:

Mark Brook (The Conifers)	- Lakelands Park
Sandra Cooper (Wensley House)	- The Plough Inn
Ingrid Brook (The Paddock)	- Langland's Garden Centre

**We are extremely grateful to Dan & Harriet of The Plough Inn and Steve & Nicola of Lakeland Park for their generous donation of the prizes.**

**Libraries Consultation:** The ERYC is undertaking a libraries consultation which is running from 25 May to 03 August 2016. You can make your views known at: <http://www.eastriding.gov.uk/corp-survey/snapform/P01702/librariesconsultationphase2.htm>

**Queen's Birthday Picnic - Sat 11th June:** The Parish Picnic and Funday for residents went ahead but was very poorly attended with only 6 adults and 5 children attending in addition to the organising committee. Those who did attend were enthusiastically entertained by a number of musicians and the children had a wonderful time on the bouncy castle and turned the stocks into a water park.

**Village Planter:** We are once again very grateful to Penny and Margaret for restocking the village planters with summer flowers and also to those who water them regularly.
