162.9

Traffic Issues

Update on group's progress.

10 or 11 point plan in Oct. ERYC got back with report on Friday, not accepting any of our objections due to our safety record, they focus their budget on fatalities. Will do a traffic survey together with Melbourne.

Traffic makings are adequate.

If we want ?????????? we will have to pay circa £45,000

VAS Vehicle activated signs – PW asked if we could buy one.

Community speed watch – We can do this if we liaise with road safety people and Police.

Another light recommended.
